

AJIN KUMAR S

Flutter Developer | Mobile Application Development Enthusiast

Phone: +91 8754236739 | Email: ajinkumar.s2004@gmail.com | Location: Kanyakumari, Tamil Nadu

SUMMARY

Motivated Information Technology student seeking a Flutter Developer – Trainee position to contribute to cross-platform mobile application development using Flutter and Dart. Passionate about building responsive user interfaces, integrating REST APIs, and applying Object-Oriented Programming principles in real-world projects. Eager to work in Agile environments and continuously learn modern mobile development practices.

INTERNSHIP

Internship - Python and Artificial Intelligence

Scope India, Thiruvananthapuram

Duration: 15 days

- Gaining hands-on experience in developing AI-based applications.
- Worked on real-time projects involving data analysis using Python.
- Enhanced skills in problem-solving, model implementation, and teamwork within a professional environment.

Internship - Python

E-MAX Education, Marthandam

Duration: 15 days

- Completed a 15-day internship in Python programming, gaining hands on experience in core concepts, data handling, and basic project development using real-world examples. Improved practical coding skills and understanding of problem-solving techniques

PROJECT

Boycott Subscription – Flutter Mobile Application

GitHub: <https://github.com/Ajinkumar-project/Boycott-subscription>

- Built using Flutter and Dart
- Implemented responsive UI using Flutter widgets
- Applied state management concepts (basic Bloc knowledge)
- Integrated app navigation
- Used modular structure for maintainability
- Used Git and GitHub for version control

HOBBIES

- Listening Music
- Playing Video Games

EDUCATION

Bachelor of Technology in Information Technology

Anna University - Marthandam College of Engineering and Technology
2022-2026

Higher Secondary

Friends Matric Higher Secondary School Panamkalai, Kaliyakkavilai
2022

SKILLS

- Programming: Dart, Java (Basic), Python
- Mobile Development: Flutter, Cross-Platform App Development
- Concepts: Object-Oriented Programming (OOP)
- State Management: Basic Bloc knowledge
- API Handling: REST API, JSON parsing
- UI: Flutter widgets, Layouts, Navigation, Responsive design
- Version Control: Git, GitHub
- Tools: VS Code
- UI/UX: Basic UI/UX principles

LANGUAGE

- English
- Tamil
- Malayalam (speak only)
